EDUCATION

Beijing Haidian Foreign Language Academy , Beijing, China, GPA: 96.7/100	2019 – 2022
New York University – High School Filmmaker Workshop, New York, NY	2022
New York University – Undergraduate Film and Television Production, New York, NY	2023-Now

WORK EXPERIENCE

Ava Studio (Hologram Labs) , AI Producer Intern	Jun 2026 – Present
- Designed and optimized AI video generation pipelines, building reusable workflows in tools such as ComfyUI and the Runninghub AI workflow panel to standardize production from prompt to final render. - Created and maintained prompt and parameter template libraries across projects, improving output consistency and cutting iteration time for the production team. - Partnered with producers and creatives to integrate AI-generated assets into existing pipelines, troubleshooting model settings and running quality control on deliverables.	
Dogme23 International Film Sales , Intern, Project Management	Feb 2026 - Present
- Conduct short film festival research and develop submission strategies, identifying suitable festivals and sections while assessing fit and priority. - Communicate and follow up with film festivals via email, handling supplementary materials, confirmations, and schedule updates. - Coordinate the full submission process, tracking deadlines, fees, rules, and submission status updates.	
Berlin NewGen Chinese Film Festival , On-site Operations	Sep 2025
- Introduced screenings, presented film information, and explained the selection. - Managed ticket checking and audience reception.	
NORTH VFX , Intern, VFX producing assistant	Apr 2025 – Aug 2025
- Assisted the VFX producer in communicating with clients. - Made simple revisions to VFX shots as preliminary references.
